

EC Certificate of Factory Production Control

Certificate No. 0086-CPD-597549

in compliance with Council Directive 89/106/EEC of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (the Construction Products Directive or CPD), as later amended, it has been stated that the construction product

Autoclaved aerated concrete masonry units Category I

placed on the market by

Quinn Building Products Limited

Gortmullan, Enniskillen, BT92 9AU, United Kingdom

and produced in the factory

Quinn Lite Division, Derrylin, Enniskillen, BT92 9AU, United Kingdom

is submitted by the manufacturer to the initial type-testing of the product, a factory production control and that the notified body No. 0086 BSI has performed the initial inspection of the factory and of factory production control and performs the continuous surveillance, assessment and approval of factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the Standard

EN 771-4 :2011

were applied.

This certificate remains valid as long as the conditions laid down in the harmonised standard in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.

For and on behalf of the BSI, a Notified Body for the above Directive Notified Body Number 0086.

Gary Fenton, Global Assurance Director
